GTU research was supported by The Changes in Health Care Financing and Organization (HCFO) initiative, a program of the Robert Wood Johnson Foundation, the California Healthcare Foundation and the Foundation for Informed Medical Decision Making.

## Acknowledgements

We are grateful for support from the Changes in Health Care Financing and Organization program of the Robert Wood Johnson Foundation, the California Health Care Foundation and the Foundation for Informed Medical Decision Making.

Our key researcher, Molly French; our review team, Margaret Holmes-Rovner, PhD, Professor of Health Services Research in the Department of Medicine, Michigan State University; David Kanouse, PhD, Senior Behavioral Scientist at RAND Corporation; Stephen Parente, PhD, MPH, Academic Director, Medical Industry Leadership Institute, Associate Professor School of Finance at the Carlson School of Management, University of Minnesota; Dale Shaller, Shaller Consulting; and Shoshanna Sofaer, PhD: Professor of Health Care Policy, Baruch College, CUNY; and moderator Dennis J Prager were brilliant, energetic and highly entertaining colleagues and we deeply appreciate their contributions to this effort

Thanks for the candid participation and discussion preparation from all attendees of the March GTU meeting in Washington DC. (A list of these attendees is included in the appendix of the "Advancing Healthcare Decision Aids: Implications for Healthcare" document.)

We also acknowledge the generous contributions of the informants for the four case studies, Sue Borra, RD, International Food Information Council Foundation; Carol Byrd-Bredbenner, PhD, Rutgers University; Eric K. Clemons, PhD, Wharton School, University of Pennsylvania; Brenda Cude, PhD, College of Family and Consumer Sciences, University of Georgia; UtPal (Paul) M. Dholakia, PhD, Jesse H. Jones Graduate School of Management, Rice University; Steve Findlay, Consumers Union; John B. Horrigan, PhD, Pew Internet & American Life Project; Don Hossler, PhD, Indiana University-Bloomington; Robert (Bob) Huerster, Consumers Union; Greg Kusch, "Official eBay Guru"; Amy Lando, MPP, Center for Food Safety and Applied Nutrition, US Food and Drug Administration; Myung-Soo Lee, PhD, Baruch College, City University of New York; Alan S. Levy, PhD, Center for Food Safety and Applied Nutrition, US Food and Drug Administration; Doug Love, Consumers Union; Barbara Moore, PhD, ShapeUp America!; Robert Morse, U.S. News & World Report; Rik Paul, Consumers Union; Brian T. Ratchford, PhD, University of Texas at Dallas; Wendy Reinhardt Kapsak, International Food Information Council Foundation; Jane Schuchardt, PhD, Cooperative State Research, Education, and Extension Service, USDA; Christine "Chris" Lewis Taylor, PhD, RD, Institute of Medicine, The National Academies, former director of the FDA Office of Nutritional Products, Labeling and Dietary Supplements; Jessica Todd, Economic Research Service, US Dept. of Agriculture; Jayachandran "Jay" Variyam, PhD, Economic Research Service, US Dept. of Agriculture; MaryBeth Walpole, PhD, Rowan University; and Virginia L. Wilkening, MS, RD, Kendle International, former deputy director of FDA Office of Nutritional Products, Labeling and Dietary Supplements.
